# Digital Photo Restoration

Send me a digital copy of your photo and I will provide an estimate for the cost of restoring the image. This estimate will be based on the amount of work needed to be done. I can negotiate a fee based on your budget and offer a 10% discount for Seniors and Concession Cards.

## 1 Basic Restoration - \$19.95 - \$49.95 per image

Damage is fairly minimal. Removal of minor blemishes, scratches and small creases. Simple restoration of colour and tone. Basic image enlargement, sharpening and cropping. Minor clean up of faces is included.

## 2 Medium Restoration - \$50.00 - \$99.95 per image

Damage is fairly minimal to moderate but the photo is intact. Remove some moderate blemishes, scratches and creases. Minor restoration of colour and tone. Repair some missing parts of the photo (small areas of faces or people). Some minor face repair. faces is included.

## 3 Advanced Restoration - \$99.95 - \$159.95 per image

I will repair moderate to more extensive blemishes, scratches, tears and creases. Repairs to faces if they have moderate damage. Colour balancing and image enhancement

## 4 Very Complex Restoration - from \$160.00 per image

Repairing images at this level takes a great deal of time and expertise. I will repair faces and more severe blemishes, scratches, tears and creases. Repair very bad discolouration and replace missing areas of background.

## Website Design and Management

Website Design

Prices will depend on the size and complexity of a project.

A single page website on a site like Weebly will cost considerably less than a custom designed website of one or multiple pages.

We can negotiate a project based cost or an hourly rate depending on your specific needs.
